

## Online Only Articles

Welcome to **Online Only Articles**. *Massage Today* receives many submissions each month; however, space limitations often prevent us from publishing as many articles as we would like in a timely manner. Online Only Articles was developed as a way to get this information to you, our readers, faster. Check in often: New articles will be posted continually.

To comment on any of the articles, drop us a line at [editorial@massagetoday.com](mailto:editorial@massagetoday.com). E-mail sent to *Massage Today* may appear in a future issue.
