What Are My Choices?

Linens, Disposable Garments and Massage Therapy Supplies

By Editorial Staff

You've made the decision to become a massage therapist and invested a lot of money in your education, practice location, marketing, and everything else you need to be successful.

Now what? Where can you find information on products, continuing education information and other goods and services to help your practice grow?

"What Are My Choices?" is a periodic column that gives you the information you need, straight from the experts - the companies themselves. This installment focuses on companies that offer linens, disposable garments, and massage therapy supplies - important components of a successful massage practice.

Best of Nature: Manufacturing and distributing massage supplies since 1987. Started by therapists who wanted to make available quality natural supplies at affordable prices, the company continues that tradition of excellence and value. We pride ourselves on offering the very best that nature has to offer with friendly and knowledgeable customer service. Products include massage oils; creams; essential oils; aroma diffusers; linens; spa and bodycare products; books; music; videos; tables; pillows; and more. **Phone:** 800-228-6457; **E-mail:** info@bestofnature.com; **Web:** www.bestofnature.com.

BodyJaz: Supplies disposable fitted face-rest covers and disposable sheets to the massage, medical and chiropractic industries.
